

Celebrating our achievements

MANA students

Last week's MANA students, all showing the MANA value of *Manaakitanga* (taking turns, putting hand up and waiting to be asked, active listening, sharing, looking after classroom resources)

Back row (LtoR): Mercy, Maycee, Nirvana & Jahvayiz

Middle row (LtoR): Dominique, Yanxin & Charlotte

Front row: (LtoR): Liam, El-Jahro & Storm

Ka mutu pea koutou mā!!

Whānau pānui

- Homework should have been seen at home. Ngā mihi to the whanau who have written comments and signed your child's mahi
- Litterless lunch boxes - There is WAY TOO MUCH packet foods in lunchboxes. **NO PIES, UNCOOKED NOODLES and FLAVOURED DRINKS.** *We are a bread and water only school.* A reminder that we are a litterless lunchbox school and as such we do not have rubbish bins in the playground for morning tea and lunchtime rubbish. If you are still sending your tamariki to school with wrapped / packet food, this rubbish will come home with them in their lunchbox
- **A new filtered water cooler has been installed in the quad area.** Students can fill a drink bottle with fresh cool water
- Sports teams are full. Fees should have been paid today. **No pay, no play.** *Most teams have a waiting list of children who missed out, so from next week, we will look to start replacing students.* The sports team fees cover only the codes they play for. The fees do not cover coaches, uniforms or practices. Thank you for supporting our teams at their games
- **Stationery:** there are a few students in each class team who still don't have stationery. **Come on whanau,** it's week 5 next week and students who do not have their stationery can not produce the mahi required for their learning
- Contact classroom teachers if you want to know anything about your child/ren please
- **School starts at 8:55am. There are at least 20 students per day arriving to school late.** Every morning at start up which starts at 8:55am school notices are mentioned, star certificates are given out and weekly waiata are practised. Singing helps the brain to focus and reset the students to start their day positively

Sports Draws

Volleyball - Friday 28 Feb 2020
3.30pm, Castlecliff v Carlton Attackers

Teeball - Saturday 29 Feb 2020
