

Celebrating our achievements

MANA students

Last week's MANA students, all showing the MANA value of **Ako** (taking risks in their learning, perseverance on a challenging task, working well with others on learning tasks, growth mindset behaviours)

Back row (LtoR): Kayde, Dontae & Tipene

Middle row (LtoR): Connor, Leonard Jnr & Noah

Front row: (LtoR): Kaylen

Absent: Matthew

Ka mutu pea koutou mā!!

MANA ribbons

Every point your child receives **earns** their way to a MANA ribbon.

Manaakitanga: 150 points **Ako: 100 points** **Ngākaunui: 100 points** **Aroha: 100 points**

MANA cards in the classroom: 5 points for what MANA value it was awarded for

Service points: 5 points for the MANA value of Manaakitanga for every duty completed (Librarian, Road Patrol, Sports Monitor & Breakfast Club)

Star Student: 10 points for the MANA value it was awarded for

MANA student: 15 points for the MANA value it was awarded for

Leadership: 20 points—5 points across the each MANA value (House leaders & Castlecliff Positive School Leaders Council)

Principal's Award: 20 points—5 points across the each MANA value

Principal's Award students

I am **PROUD** to announce that these students have recieved the Principal's award. Every student who is awarded the Principal's award will earn 5 points across each MANA category—earning a total of 20 points!

Ngawai Huia for being a positive role model by speaking Reo Māori in class and to her kaiako. 21.0.2020

Xyahn Hina-Webb for being a 'smart cookie' with his maths testing. 06.03.2020

Mikaere Martin for using an encapsulating sentence starter for his Biography 12.03.2020

Teachers ONLY day

PLEASE make sure that on MONDAY 16TH MARCH you have made arrangements for your child/ren for the day.

ALL the staff of Castlecliff School, Keith Street School and Tawhero School are attending a professional development day on CULTURE COUNTS - RELATIONSHIP BASED LEARNING (Russell Bishop program) with Laurayne Tafa

This is a major goal for the three schools for 2020-2021.

There will be TWO more teachers only days throughout the this year for this kaupapa, that we are entitled to have from the Ministry of Education.

I will let you know of these dates once we have completed our first professional development day of Culture Counts.

House reports

On week 3 the house leaders and house teachers of Hinengākau were talking about a house chant and a house mascot. We also talked about some house challenges but we had to agree on one mascot and one chant.

Written by Tipene Jones

Tamaupoko are trying to make a mascot but we all have to agree in what mascot suits our house the best and we have already started to plan the house chant.

Written by Nirvana George

On the 2nd of March, we had our first house meeting for Tupoho. Our first thing we did was whakawhanaungatanga/getting to know one another. By doing that we were able to see who was all in our house. Then we moved onto drawing handprints on pieces of paper to use for our banner. By the end of drawing the time was up.

Written by Makere Ranginui

At our Whanganui house meeting we were talking about what are some challenges our house could make. One of our ideas was wheels day. I made a chant that everyone in my house liked so now we are using that for our chant. I also made a mascot but Whaea Daphne suggested that we all draw different mascots then have a competition for the best one.

Coronavirus

There is an AWESOME 4minute video on Youtube called Coronavirus Explained (for kids) by Nanogirl Labs.

In the video there is an explanation of what it is, what it does and how you can prevent it from getting to your lungs. ALSO a very interesting FACT that NOBODY under the age of 15 has actually had very severe symptoms of the Coronavirus because they have a natural immune system that seems to fight of the virus and tend not to be that sick.

TAKE A LOOK WITH YOUR CHILD/REN AND ASK AND ANSWER QUESTIONS.

Sports Draw
