

2021 PE Shirt

Starting in 2021 EVERY student will require their own PE shirt to play in any team sport and when participating in PE as part of their learning program.

We have sourced these options below from a **Whanganui company** with **an excellent range of pricing of clothing that is affordable.**

The Castlecliff School monogram is embroidered on the front too.

Children's names can be embroidered across the back for an additional \$7, which I totally recommend.
